

	Price per CY	
Borrow	\$65	Togiak has trouble giving me a price for "just borrow" ....so this is my estimate
Crushed Aggregate Base Course	\$100	Leon, Togiak Public works, this is the price for grading E-1 delivered to the airport site

#### Notes

prices include a 25 \$/CY "surcharge" to cover costs of blasting

these are the prices they will sell to airport project, I need to re communicate with him to see if the prices have been revised

Keith Tryk says the pit (2 years ago) was in rough shape. Needs to be blasted, etc.

Dave Lancaster of Summit says the Togiak pit is a "pretty good" material source

The city of Togiak owns a "pretty good" equipment fleet-Summit has been maintaining the equipment
